Community School of Music and Arts Presents Jérôme Mouffe, Classical Guitar, March 10

MOUNTAIN VIEW, CA – The Community School of Music and Arts (CSMA) in Mountain View presents a free concert with Jérôme Mouffe on Saturday, March 10 at 7:30pm. The event will be held in Tateuchi Hall at the Community School of Music and Arts, located at 230 San Antonio Circle in Mountain View. Seating is limited, so please arrive early. Doors open at 7:00pm.

Jérôme Mouffe, virtuoso classical guitarist, returns to Tateuchi Hall after a stand-out performance in the 2017. The evening's solo recital will feature pieces from European and Latin American composers.

Jérôme Mouffe hails from Belgium, and has dazzled international audiences with his passionate and spontaneous playing. He has toured throughout the United States and Western Europe as a soloist and chamber musician. Recent performances include recitals for the Omni Concert Series in San Francisco, the New York Classical Guitar Society Second Sunday Series, the Guitar Society of Northeastern Pennsylvania, the MIT Little Kresge auditorium, and the International Brussels Guitar Festival, among others. In May 2012, Jerome graduated with a Doctor of Musical Arts degree from the New England Conservatory of Boston. His doctoral dissertation analyzes how collaboration between composer and soloist achieved an optimization of the guitar's capabilities in Robert Beaser's *Guitar Concerto* (2009). Jerome was invited to teach masterclasses or lecture at various universities including San Jose State University (CA), University of Wisconsin Milwaukee (WI), Acadia University (Canada), Dalhousie University (Canada), University of Sonora (Mexico), and Music Conservatopia.

This event is part of CSMA's 2017-2018 Community Concert Series. In keeping with CSMA's mission to provide *Arts for All*, Community Concerts are free and open to the public. The Community Concert Series is supported by a generous grant from the Applied Materials Foundation. The official media sponsor for the series is Classical KDFC radio.
